While 29 January 2025 is Chinese New Year, it is not the first day of the **Green Wood Snake year** in Chinese astrology. The Start of Spring, which marks the first day of the Chinese astrology year, is 4 February 2025. Therefore, any **baby born before 3 February 2025 will be under the Dragon zodiac** sign, not the Snake.

If you have a **Rooster**, **Ox** or **Snake** in your **birth chart or 10-Year Major Cycle** and **Yin or Yang Metal** is also present, 2025 could become a standout year for you, unlocking **extraordinary fortune and delivering an unforgettable exceptional surprise**. If you have a **Monkey** at the Spouse Palace (配偶宮) and **Water** is your lucky element, the **marriage will bring you good luck**.

SPRING CLEANING 大扫除

DO'S

- ✓ **Declutter with Meaning**
 Clear out items that no longer serve you, especially those tied to negative memories or stagnant energy. Donate or recycle them to make room for fresh opportunities and blessings.
- ✓ **Apply Feng Shui Principles**
 Rearrange furniture to create an open flow of energy and add plants or bright accents to rejuvenate your home. Focus on enhancing the southeast (wealth) and east (health) corners.
- ✓ **Purify with Scents**
 Incorporate aromatherapy by burning sage, incense, or essential oils such as lavender or sandalwood. This helps eliminate negative energy and creates a serene atmosphere.
- ✓ **Tidy with Gratitude**
 Acknowledge and appreciate your home as you clean, cultivating a sense of gratitude and positivity for the shelter and comfort it provides.
- ✓ **Start with the Entrance**
 Clean and organize your home's entryway first, as it's the gateway for welcoming good fortune. Pay extra attention to doors, doormats and windows.

DONT'S

- ✗ **Avoid Cleaning at Night**
 Clean during daylight hours to align with positive energy cycles. Nighttime cleaning is thought to scatter luck and disrupt harmony.
- ✗ **Don't Discard Thoughtlessly**
 Be mindful when letting go of items. Keep objects tied to happy memories or those that could bring joy or usefulness to others.
- ✗ **Don't Skip Energy Cleansing**
 Physical cleaning isn't enough. Perform rituals like clapping in corners or ringing bells to disperse lingering negative energy.
- ✗ **Address Broken Items**
 Fix or remove broken objects as they symbolize unresolved issues and block the flow of positive energy.
- ✗ **Avoid Using Sharp Tools for Decluttering**
 Steer clear of using knives or scissors to sort through items, as these are believed to cut off good fortune.
- ✗ **Don't Overlook Storage Spaces**
 Cluttered storage areas like attics, basements and closets can trap stagnant energy. Clean and organize these spaces to revitalize your home.

Chinese Baby Gender Prediction Chart (2025)

Believed to originate during the Qing Dynasty and was either lost during the Eight-Nation Alliance war, discovered in a royal tomb, or found in the Forbidden City. Incorporating Yin-Yang, five elements and Ba Gua principles, the chart is featured in the Chinese Farmers' Almanac and used in Chinese hospitals.

Step 1: Identify your Chinese age

e.g. If you are 38 years old (Western age) and were born after the Chinese New Year, your Chinese age is 29. If you were born before the Chinese New Year, your Chinese age is 30.

Step 2: Locate the Lunar Month of Conception

e.g. You conceive on 3 April 2025, which falls in Lunar Month 3

LUNAR MONTH	ZODIAC NAME	LUNAR MONTH DATE REFERENCE
1	TIGER 虎	29 Jan, 2025 - 27 Feb, 2025

12	OX 牛	19 Jan, 2026 - 16 Feb, 2026

Step 3: Refer to the Baby Gender Chart

e.g. At Chinese age 30, for Lunar Month 3, the prediction is Girl

LUCKY ELEMENTS

2025

The **Green Wood Snake** brings **Fire**, **Metal** and **Earth** energy. Wood fuels Fire, but it's linked to bad advice, reputation issues or risky investments. The Fire of the Snake could bring short tempers and money troubles. So be wary of too good to be true profits.

METAL

It's a so-so year

Wood clashes with Metal, creating tension and reducing support. Fire adds pressure, especially in summer. But if Male Metal is in your chart, things could turn around for the better.

WATER

An okay year

Wood takes energy from Water, so you might feel a bit drained. Fire and Water don't get along, so there could be some arguments or tension.

"*Fortune favors the bold*", written by ancient Roman poet **Virgil** in his epic poem, Aeneid, specifically in Book 10.

The concept of luck has ancient roots, with early civilizations like Mesopotamia, Egypt, and China viewing it as a force influenced by gods and fate.

During the Middle Ages, luck was closely tied to divine will, shaping the way people viewed fortune and misfortune.

Over time, the modern understanding of luck shifted towards randomness and chance, with some seeing it as a product of personal behavior or perspective.

I Ching Coin Toss

The I Ching is the result of centuries of development and collaboration from various sages, philosophers, and diviners throughout Chinese history.

Evolved from earlier divination practices used by the Shang Dynasty (1600 BCE to 1046 BCE) where divination was conducted using cracks on bones and shells.

Its origins are often attributed to the ancient Zhou Dynasty (1046 BCE to 256 BCE), traditionally credited with arranging and interpreting the hexagrams.

The work was later refined by Confucian scholars and Taoist philosophers.

What is I Ching 64 Hexagrams?

I Ching 64 Hexagrams, known as the Book of Changes, is a timeless source of ancient Chinese wisdom originating from the Zhou Dynasty. Through 64 hexagrams and divination practices, it offers guidance on life's uncertainties, reflecting Taoist and Confucian principles. Beyond divination, it serves as a reservoir of wisdom, impacting global fields like psychology and business strategy.
